

# MS. LAUREN

Hello, I'm Ms. Lauren. I am new to FLLC. I work as a preschool floater spending time with all of the classes throughout the afternoons. I graduated from West Virginia University (Let's Go Mountaineers!) in May 2015 with a Bachelor's degree in Multidisciplinary studies with focuses in Child Development, Psychology, and Communication. I recently moved to Lexington so that I could further my education. I plan to pursue a Master's degree in Interdisciplinary Early Childhood Education at the University of Kentucky.

I am from an extremely small town near Wheeling, WV called Glen Dale, WV. When I say small, I mean it has 2 stoplights and is about a mile long. Moving away from my family was a challenge for me especially since I have 3 younger brothers who are 10, 7, and 1. It's a huge age gap I know, but I would not have it any other way. Even though I am from West Virginia, my family and I are HUGE Kentucky basketball fans, so don't be surprised if you see me trying to be a Mountaineer and a Wildcat at the same time. In my free time, I love to spend time with my friends and family, listen to music, shop, and more

Working with children has always been something I have been very passionate about. Between serving as a nanny to five children for three years and having three younger brothers at home, I guess you could say working with all of the young children at FLLC has filled that void for me since moving to Lexington on my own.
