

# MS. STEPHANIE

I'm Ms. Stephanie. I have called Lexington my home all my life and have grown up here at Faith Lutheran Church. I have been a full time nanny for families in Lexington the last several years, as well as doing the nursery here at the church during Sunday services. I joined the FLLC family In June 2015 as a substitute and now am a floater in the afternoon as well. I love being able to spend time in all the classes as a floater and substitute. We have amazing kids and families here!

I recently celebrated my one year wedding anniversary with my husband Scott and added Bingo, our very spoiled rescue basenji mix to our family. When I'm not spending time with family and friends I spend my time helping find homes for homeless animals through local rescues and coaching kids basketball with my husband. I also enjoy traveling and trivia.
