4:30 - 5:00	Outdoor Gross Motor Play
5:00 - 5:10	Transition to Indoors and Wash Hands
5:10 - 6:00	Free Choice

The morning's Large Group Time consists of calendar, and weather updates and a discussion of that day's activities and projects. Both Story Times incorporate songs and movement activities along with books, poems, finger plays, choral reading and thinking games. Free choice Time gives the children an opportunity to play in any area of the classroom: Dramatic Play, Blocks, the Sensory Table, Puzzles, Science, Manipulatives, Art, or Table Games. Children may choose to work with Project materials individually or in small groups during the 9:30 - 10:30 Free Choice Time. Projects engage the children in fine motor work, creativity, science and problem solving and often feature weekly themes. Busy Bee children will also spend time in small group work designed to promote literacy and math learning. These are our Color Groups.
