Faith's Legacy Ministry:
Enhancing the Mission of the
Congregation Forever

FAITH LUTHERAN CHURCH
1000 Tates Creek Road
Lexington, KY 40502

As followers of Jesus Christ, we embrace, reflect and proclaim God's unconditional love.

In 1998, the congregation of Faith Lutheran Church launched the **Mission Endowment Trust (MET)**, to perpetually enhance the ministry of the congregation apart from the operating budget. No portion of the income generated by the trust can be used for the annual operating budget. Trust earnings may be used for a variety of ministries and programs at the congregational, synodical, national and worldwide levels. As members of Faith, the **MET** enables us to continuously celebrate the good news of Christ's gospel and love with others, until he comes again.

From a meager financial beginning, today (15 years later) the Trust's financial blessings currently exceed \$250,000.00. Additionally, a number of members have expressed interest to include the **MET** within their estate plan. This is an enormously important vision for the ministry of the congregation we all love. Described as asset stewardship, it is a vision of financial stewardship that is beyond the weekly envelope we faithfully place in the offering plate. By embracing this legacy gifting strategy together, we open possibilities for mission and ministry that heretofore have never been dreamed by this congregation.

You are invited to think and pray about the part you want to play in Faith's future ministry. Since money is stored-up value, it enables members to participate, not only locally, but also to support ministry in a variety of ways. When members give money they are giving part of themselves, by sharing God's blessings. Naming the **MET** as a beneficiary in your estate plan or making an endowment gift ensures your continuing support of these ministries far into the future. Planned legacy giving to the **MET** is the extension of our stewardship responsibilities beyond this life.

PLANNED GIVING PARTNERSHIP

Our gifts ensure the fulfillment of present and future ministries of the church, maintaining today's quality programs and extending new ministry opportunities until Christ does come again. Our legacy financial support is a key part of faithful discipleship, and enables Faith Lutheran

Church to fulfill more completely the mission for which our Lord has called us.

The goals of planned giving are to honor and glorify God and empower His people in their role as responsible stewards of His gifts. As members of Faith Lutheran Church, we can choose to participate and give to the work of the church through a variety of alternatives. Not limited to these examples: through bequests in wills, assignment of life insurance, charitable gift annuities, charitable remainders, and other trusts, assignment of certificates of deposit, and transfer of property such as cash, stocks, bonds and real estate. Federal tax laws encourage generosity by allowing donors to benefit from substantial tax savings through careful planning.

PLANNED GIVING OPPORTUNITIES

The **MET** is blessed with resources within our membership to assist in estate planning, by helping members customize their individual legacy stewardship goals. Please do not hesitate to contact a **MET** board member, or the church office, to schedule a confidential discussion. There are many options that members can customize to accommodate virtually any unique family situation.

Gifts of Capital Assets

Often significant advantages can be realized through a gift of land, securities, or other assets which have been held for at least a year and have appreciated in value. The donor pays no tax on such gifts and may deduct the current market value up to the full amount of the deduction allowed by the laws during the tax year. Note: in some cases the appreciation is subject to an Alternative Minimum Tax.

If such capital assets have not appreciated in value, tax savings may still be realized. The assets may be sold and the cash given to the **MET**, which may make the donor eligible for a tax loss deduction as well as a charitable donation.

Gifts That Secure Income for the Donor

Gifts in the form of charitable trusts allow the donor to make a substantial contribution of cash or property and still receive (and in some cases increase) the income from the cash or property during the lifetime of the donor and his or her spouse.

Additional Ways to Give

Bequests, life insurance and gifts of personal property are additional ways to realize a higher gift level for the **MET** and a greater tax savings. There are also many other opportunities for investment gifting beyond those mentioned above. For information on other plans, please contact a **MET** board member, or the church office.

Trust Income Distribution

The purpose of the **MET** is to enhance the mission and witness of our congregation by supporting various Christian ministries through distributions of the dividends and interest earned from the investment of trust assets. Grant requests for these distributions can be made at any time to the **MET** committee.
