

Faith Lutheran Church Lexington, KY

Confirmation Mentor Responsibilities:

- Pray daily for my student's growth in faith for my student's family.
- Provide support and encouragement to my student in various and creative ways (i.e. emails, cards, phone calls, spoken words, etc.) Check-in weekly with a phone call, text message, email, or in person at church. During the check-in share with one another where you've seen God at work in the world or in your life this week. Also, ask each other how you might pray for them this week.
- Be open - Share yourself and your faith journey with your student. Let them know both your joys and your struggles.
- Students will share 3 Worship Reflection Sheets and 2 Service Project Reflection Sheets during the year with their mentors, who will discuss with them their responses and then sign the sheet to be turned in to Pastor Mark.
- If at all possible, try to serve together with the student on the 2 servant projects.

Attend special Mentor & Student Sunday School classes on Sunday mornings when they are scheduled (no more than once a month).

(Note – We have a Safe Boundaries Policy that prohibits mentors from being alone, one-on-one, with students, there must always be 2 adults present when you meet.)
