A Note From Our Interim Director

I am so grateful for the service and time Charla has given to FLLC and even more thankful for being such a great mentor to me. We have worked closely together for the last 13 years, and I have learned much from her. I am confident she has more than prepared me to fill the role of Interim Director. Though we may not see her face as often, she will always be here to support her FLLC family. As always, thank you all for your support during this big transition and your patience during the hiring process... We have some big shoes to fill!

All About Me

Hello! My name is Emily, and I am 21 years old. I grew up in Jeffersonville, IN and recently just moved to Lexington, KY 8 months ago! I graduated high school in 2021 and am currently working on my bachelor's degree in Elementary Education at ECU. I have worked with children for about four years, whether at a daycare or an elementary school. I have always loved working with children to help them grow and educate them further. When I am not teaching, I enjoy spending time with my partner, traveling, painting, or walking with my dog!

All About Me

Hello, my name is Matthew T. Burney, Matt for short. I was born and raised in NY, but relocated to Lexington, Kentucky at the end of 2019. I have been in childcare for about 13 years. Throughout my journey, I have worked as an assistant, lead teacher, program coordinator, drama teacher, dance teacher, and now I'm here at FLLC as one of the floating teachers. I'm thrilled to be here, and to love on a new group of children. I also have two degrees: an associates degree in performing arts, and my BFA in Musical Theater, concentrating in acting. I love to merge my love for children and the arts whenever I get a chance. In my free time I love to dance, travel, and spend time with my loved ones!

I have always loved working with little ones, whether it be teaching piano or volunteering with my ESL teacher mom. I love teaching kids, as in the process I learn so much from them myself! In my free time I love to paint, listen to music, read, bake, and travel with my boyfriend.

All About Me

Hi! I'm Jessie, and I am so pleased to join the FLCC team. I have over eight years of experience working with kiddos, and I enjoy helping them learn. It's my belief that learning should be fun because it encourages children and makes it more engaging and memorable for them!

When I'm not working, I go to concerts, conventions, and festivals whenever I can, alongside my partner of 4 years. We live together with our two cats, Freddie and Ringo (we love music very much).
